

Dear Organization,

My name is Terra Larson and I am a sophomore in the Emerging Leaders Academy in the School of Education and Behavioral Sciences. A group of us sophomores are putting together a community service project for this semester called Project Santa's Little Helpers. This project is to help children in the Bismarck/Mandan area whose families could not otherwise provide Christmas gift. We are asking all of the University of Mary organizations, clubs and sports teams if they would be willing to sponsor children and buy them a Christmas present. We are asking for each organization to sponsor one boy and one girl. If you would like to do more children that would be appreciated. Each gift should be no more than \$15 and if your organization would like to help us out, please contact me at your earliest convenience and we will get you more information about the project.

Your help is greatly appreciated,

Terra Larson
