7:05pm Introductions – Terra

- Hello everyone, my name is Terra Larson and on behalf of the Junior ELA class I would like to welcome you to our Murder Mystery Night!
- We juniors really wanted to put on a night where the sophomores, juniors, seniors, and faculty could get to know each other in a fun setting.
- Before we get to the Mystery, we are going to start off the night by going around and introduce ourselves please say your name, hometown, major, and an interesting fact about yourself. (I will start)
- Now I would like to invite Jake Effertz to the front to lead us in prayer.

7:18pm Prayer – Jake

7:20pm Food - ???

- Dismiss by tables
- While we wait for food, feel free to take advantage of the photo booth if you have not already
- Have our group get food last and monitor what needs to be filled, retrieved, served, etc.
- Alternate plan to have everyone grab food when they arrive and then do introductions while eating to shorten time needed before time because then they have time to eat before they start the night (talk to Shanna about eating during the MM??)
